The Handley is a non-profit community center serving the Northern Hills. The Handley provides a venue for community gatherings and strives to partner with different businesses to build the capacity of individuals and the communities of Lead, Central City and Deadwood. The Handley is also home to the Boys and Girls Club of Lead-Deadwood and is a fiscal sponsor of a variety of youth sports programs. Focusing on community, we took over the leadership of Lead Live Street Fair in the summer of 2019.

Lead Live Street Fair is a family oriented event in the Manuel Brothers Park that has taken place in Lead since 2011. We are excited to bring back some of your favorite activities as well as add new activities that work with the Handley's community and family focus.
